

WSP36 WALK BEHIND SWEEPER

Not only does Sweepster by Paladin provide quality and dependability in their attachments, they are the Industry leader in rotary broom manufacturing. Sweepster Brooms can attach to your tractor's 3 point hitch or loader, a skid steer's universal quick attach, or as walk behind and tow behind models.

The WSP36 has infinitely adjustable angling from 20° left and right for variable conditions. Powerful Honda OHV GXV160 engine meets EPA SNRE PH2 2007 & CARB Tier 2 2006 Criteria. Differential drive for two-wheel traction and ease of turning. Complete fill brush for no x-streak sweeping. Solid handle bars with cushioned grip for comfortable operation.

- 5 forward speeds, 1 reverse speed
- Designed for balanced operation, eliminates need for caster wheels on most applications
- Brush hood covers 125° arc
- Powder-coated for durability
- Multiple brush speeds to match your application

The WSP36 Walk Behind Sweeper by Paladin has the following available options for purchase.

- Caster Kit for thatching
- Collector for debris
