### APPLICATIONS

- 1/2" to 3/4" domestic solid wood flooring
- 1/2" solid & engineered wood flooring

The 470A is a versatile, pneumatic floor nailer that uses both T or L Porta-Nails and has an integrated safety mechanism to prevent accidental firing. The Portamatic Hammerhead TL comes with a mallet, wrenches, pneumatic lubricant, safety goggles, an easy to convert reversible shoe base for nailing 1/2" to 3/4" flooring, swivel air inlet connector and a carrying case.

Additional Accessory Shoes Available

47395: Prefinished Flooring Shoe, Wide Profile (9/16" to 3/4")  
(Order part #47090 for original model #470)
